### Frequently Asked Questions

#### *What age group attends this retreat?*

This is a retreat for men of all ages. Past retreats have included men in their 20's through 90's. Amazingly, age seems not to matter on the retreat and provides good perspective for group discussion.

#### *Will I be singled out of the group?*

On this retreat participants are asked to discuss at times with their small group. No one is ever singled out to stand up and share in front of the whole group. The extent to which you engage in discussion is up to you.

#### *Does this retreat involve a lot of solitary prayer?*

Although there are times of quiet reflection, most of the retreat is spent interacting with others in a group setting.

#### *How will my family survive without me?*

This may be a great opportunity for family members to have some quality time without you. Also, you may find that a closer relationship with God is very helpful to aiding in strengthening family relationships at home.

You will retire in your own homes and return the next day.
