# What is the Men's Renewal Experience about?

The Renewal Experience helps you discover what's missing in your life and what to do about it.

Men who have attended the renewal say that it was a life changing experience. It helps build lasting and meaningful relationships with men from a variety of backgrounds in a casual setting while also refocusing us on what matters most in life.

We enjoy great fellowship, have fun, and share great meals together. There are opportunities for reflection, sharing experiences and stories, and learning from one another. In the renewal, we help each other to shine.

## Frequently Asked Questions

### *What age group attends the Renewal Experience?*

The Renewal is for men of all ages. Past weekends have included men in their 20's through 90's. Amazingly, age seems doesn't seem to matter and provides good perspective for group discussion.

### *Will I be singled out of the group?*

Participants are asked to discuss in their small group. No one is ever singled out to stand up and share in front of the whole group. The extent to which you engage in discussion is up to you.

### *Is there a lot of solitary prayer?*

Although there are times of quiet reflection, most of the time is spent interacting with others in a group setting.

### *What will my family do without me?*

This may be a great opportunity for family members to have some quality time without you. Also, you may find that the renewal experience helps in strengthening family relationships at home.

### *Where will we sleep and eat?*

*You are encouraged to sleep overnight at the school (optional).*

**Food is provided and plentiful.**
