RNA WorldWide is a certified electronics, appliances, and metals recycling company located in Belleville, IL.

RNA WorldWide has a secure full service commercial and industrial pick-up and drop off recycling center for: appliances, electronics, metal, computers, and all items listed under "What We Recycle". If you have any questions on items we may have missed, please contact us. Almost anything that takes a battery or plugs into a wall can be completely recycled.

RNA WorldWide provides **Secure Data Destruction** that includes: Multipass DoD Level Wipes and Onsite Hard Drive Punching. Your data is secure and Certificates of Data Destruction are available upon request.

RNA WorldWide is **fully insured**, and registered as a Level 3 Electronics Recycling Business with the Missouri Department Of Natural Resources, and a proud participant of e-Cycle Missouri, e-Cycle St. Louis, and Earth911.

RNA has begun the initial phases of becoming R2 Certified and is registered with both Missouri and Illinois EPA. Missouri ID #: 044254 and Illinois is registered with the Illinois Procurement Bulletin:

<http://www.purchase.state.il.us/ipb/IPBhomep.nsf?Open>

We offer full pick-up services for business and government requests. We currently do not offer residential television set pickup services.
